

ANNOUNCING THE:

GT/California Special Recognition Guide & Owner's Manual

By Paul M. Newitt

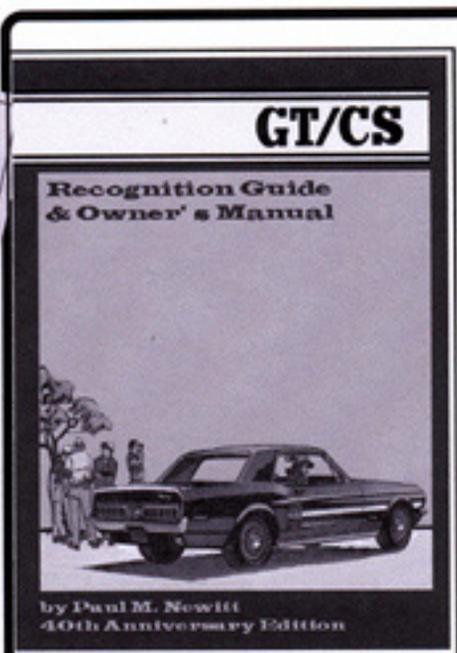

(projected release date, Feb 15th, 2008)

WHAT started it all...

Above Left: The 1989 edition. Only 68 pages, this highly collectable book now commands up to almost \$300 on EBAY. **Above Right:** the companion "GT/CS 1996 Registry" has been seen on EBAY for upwards to \$150 per copy.

...NOW I've combined the same information from both books for this new edition, along with lots and lots of new information and an updated limited edition book!

This is an exclusive first-time offer to members of the GT/CS Registry! See the order form for information for pre-publication ordering. Details about the contents of this new, limited edition book are described below, including new, never-before-seen material. The 2008 GT/CS Registry is also included, with over hundreds of cars listed (preliminary cover design).
