This is a **FULL WHEEL COVER** that has been designed to duplicate the look of the styled steel wheel, and best yet owners of 6 cylinder cars with 14" steel wheels can now have the look that until now was only available to the 8 cylinder guys with 5 lugs!

A simple 5 minute installation that you can do yourself, and you're on the road with these beautiful chrome plated hub caps. The manufacturer went to great lengths to duplicate the look of the styled steel wheels and adapted it to a hub cap. Details include charcoal colored inserts, realistic looking lug nuts and exact copies of the center cap. Made from high impact ABS plastic that utilizes a special retaining ring makes these hub caps very durable.

- Fits all original 14" rims-6 or 8 cylinder!
- Classic look of styled steel wheels at 1/3 the price.
- New patented fastening design. Allows two tension settings.
