

## All-Ford Nationals 2009 Update.

Hello FOMOCO fans. The 2009 edition of the Carlisle All-Ford Nationals is not too far away. I don't know about you, but I'm ready for some hot Blue Oval weather including some very hot FOMOCO vehicles in action.

Action like a sea of black and yellow Mustangs lined up as far as the eye can see. And if all goes well, the most awesome display of Mustangs ever put together in one place. The High Country Specials and GT/CS Mustangs will be out in full force along with more Ford GT cars in one place than you could ever imagine.

Mercury enthusiasts lead us from the other half of FOMOCO. Marauders and Montego GT's will invade the place with one heck of a display. I'll bet there will be plenty of Cougars here as well.

We are working with Quarter Aces Drag-O-Way to bring a very interesting SuperCar ShootOut Series to the show. More on that later as we firm up the details. Stay tuned to [www.CarlisleEvents.com](http://www.CarlisleEvents.com) for the latest updates as they become available.
