Up for sale 1968 Mustang California Special!!!!

Only about 4,100 California Mustang Specials were manufactured.

Known as the GT/CS, which stands for a California Special.

Vin verified, Numbers under engine verified - Authentic California Special.

The car has been owned and stored for many years. Adult driven when it was used - many years ago. Runs, restored interior, aftermarket rims, and original paint. Minor accident, in which the fender and hood had to be painted. No frame damage. The paint blends in 90%, but it can be way better.

The Mustang GT/CS is located in Southern California, but can arrange delivery. Serious buyers only!!!!
