**GT/CS License Plate Frames (right):** The first run has pretty much sold out, but if you're interested, we'll get Casey Hill to make more for you. These are metal frames, made just like they did in '68. They are \$25 each, ppd (within the USA). E-mail Casey Hill at: Casey.Hill@motorola.com for more information and availability. He also has quite a few of the HCS version still available.

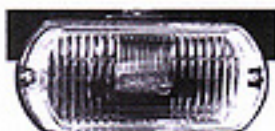

## GT/CS in 1:18th Scale

Based on Registry Owner Don Potter's 390 GT/CS, the "Greenlight" brand, metal version is in 1:18th scale (just over 10" long!). This version has been available in white, maroon, and gulfstream aqua, and has opening doors, trunk and hood (with a 390!). Check with your local collectible scale car store, or on the internet to get one. Quantities are limited, so hurry.

## LUCAS PEDESTALS & SIDE SCOOP SCREENS

Are your Lucas fog lights mounted too low? Are your side scoop screens pitted and worn? One source for these replacement parts is: Bob Teets, HCS Registrar, 6874 Benton Ct., Arvada, CO 80003-4244. 303-424-3866. The Pedestal kit (with bolts and washers) is \$65 ppd., the Scoop Screen Kit is \$30 ppd., includes rivets, SS screws, and black vinyl backing. Send Bob an SASE for information. He also has very few '68 HCS scoop decals available.
